National Convention, and is now a
candidate for Representative in his
county.

by the candidate for Glick and Holliday, should be, in every instance, the
test of his sincerity to the resubmission principle. This laiter condition
should, in every case, be exacted of
the candidates for the Legislature.
No one is a consistent advocate of resubmission who supports Col. Martin
for Governor. The open support of
Glick and Holliday
as an objection and discipline and unquestioned integrity of
character.
All who know Mrs. Carruthers will
no neede to ner all these qualifications
in a high degree. It has been urged,
as an objection against he that She is
of these candidates as a test of their
loyalty.

ery county will be increased several hundred, and Colonel Severy tells me that he believes we are going to carry Lyon county. H. D. Baker informs us that we can feel perfectly safe about Saline county, and George Martin, of Junction City, says the same thing for Davis. With all these encouraging signs the situation looks flattering in the highest degree.

If Holliday is as much "off" on other counties of the State as he is on Saline, his prospect of becoming Lieutenant Governor is very slim indeed. Bevery, named above, is a director of the Santa Fe road.

BETWEEN 2:15 and 3 o'clock, Friday afternoon, several towns in Michigan. Ohio and Indiana, were shaken by an earthquake of a few seconds' duration, the oscillations being more perceptible in the upper stories of structures. Tableware was dashed to the floor, furniture disturbed, and windows wrecked, alarming the inmates, whoin many instances, fled panio-stricken to the streets. At Detroit the quake was severely felt, and the river rose some inches. The Methodist Conference and Ladice' Missionary Society, in session at Defiance, Ohio, hastily quitted the building which they occur pled, and the disturbance almost enused a panie at a reunion in Ottawa, Ohio. Children in the schools at Indianapolis became alarmed, and occupants of railroad depots in the sections visited imagined that a locomotive had collided with the buildings. with delight by his many old friends A rumbling sound was heard in some places, resembling a distant explosion. Tremors were also felt in peritions of Canada, Kentucky, and West

A DEMOCRATIC PROCLAMATION.

wail of distress," which is being published in papers of limited sirenialos. To give it a wide notice, we reproduce it in the Journal. It is from the pen of the wily Tomlinson, Glick's private secretary, who is generalisating of the "Army of Liberty," and he was so much ashamed of it as to be unwilling to load his signature. Bead it and then take an emetic. The addrise fully exhibits the dire straight into which the Democratic party is

of the people.—Junction City Union.

Geo. W. Glick is one of the three.
Let's see; who are the other two?

The beavy carthquake shock experienced in Ohio, Indiana, and Michigan last Friday, was only the preliminary shock to the great convulsion which is soon to shake the Democracy out of its boots.

The Kansas Klu Klux Klan (calling themselves the Army of Liberty), have issued theit great proclamation, commanding the faithful to rally to the support of Glick and Holliday. We dont see how a man with any decency can aid such an outfit.

The farmers must rejoice over the advice which comes from England to the effect that 183,000,000 bushels of wheat in excess of her own production will be needed to feed the people of that country. Some of the Kansas surplus must be in demand.

Kansas surplus must be in demand. | which was made unanimous by the Democratio State Convention, being urged by his many Republican friends as a step calculated to greatly strengthen the tieket and to render

A RIOT occurred at Burr Oak, Jewell county, last Friday night, in which
the circus gang of Orton's Anglo
American circus and the citizens of
Burr Oak were the actors. The circus men fired into the crowd of citiday, should be for the Army of Liberty should also exercises a watchful care
in the nomination of candidates for
the Legislature. No nomines for the
House of Senate should be supported
by the comrades who does not stand
aquarely upon the Besubmission platform. A hearty support, rendered
by the candidate for Click and Holliday, should be, in every instance, the

It is urged by the Department that each company now that the bugle note has sounded for the conflict, and

Our farmers are boasting of the big corn and the number of bushels per acre that they will gather this season. Samples of corn can be seen at the Post Office which are really lummense.

Mr. C. Mills and wife attended the State Fair, and brought back with Mr. C. Mills and wife attended the State Fair, and brought back with them friends from New York whom

East Bridge. Weather warm and dry. Farmers are still seeding. Many had to stop on account of it being so dry.

A number of threshing machines have been laid by for a time. Farm-

diers' and Sallors' home held their great that it will be impossible to semesting at Dayton, O., on the 18th cure from the Legislature next winter and 19th inst., to hear the claims of the various states for the location of the ment, or the modification of the without his speaking. Had it been in the eve he would have had a crowded house. One very prominent man remarked that if he could not hear him speak he was still his man for Congress, and all the people say "Amen."

location will be made in one of these two state. Leavenworth is the place proposed in Kansas.

The McPherson county Democrats endeavored to get up a boom for Glick, by having him speak on the Fair Ground during the Fair. Tite Republicans protested against the movement, and the meeting was given up. Glick endeavors to utilize Fair and Circus days, in the hopes of getting a crowd to hear him. Otherwise he is not a drawing card. The people don't want to hear his egotistic, bombastic speeches.

Inc. but the election of Gleo. W. Glick as Governor is of transcending importance. If that dan he achieved, all else will follow. If we fail at the head of the ticket, any effort at securing resubmission at the hand of the Legislature will probably be a failure. The county, in the candidate of School Superintendent. The names of Profs. Rollman, Hillman and Goodwin have also been mentioned. All influences in shaping legislation. Eon. C. Helliday, is a gentleman of ability, of wide acquaintance, and is a fine parliamentarian. His election as Lieut Governor will powerfully aid in securing the legislation needed to give this State the relief from prosorbity declined to be a candidate, and the meeting was given up. The office of Lieut. Governor, at this county, in the county, in

Col. Holliday, the monopoly candidate for Lieutenant Governor, deposes to the Kansas City Times and says:

"I am fully convinced through letters and talks with persons from various portions of the State, that Gov. Glick and myself will be elected by a much larger plurality than Glick received two years ago. For instance, I saw a letter this morning," he continued, "from Independence, which states that Glick's vote in Montgomery county will be increased several hundred, and Colonal Savernal and company now that the buggle of the conflict, and bullet the buggle in taseling before coming to this state healthy root in everyfeounty in ; Kansake that Glick's vote in Montgomery county will be increased several hundred, and Colonal Savernal and colonal Savernal and the bullet ing this office. As a matter of fact, there are quite a number of lady-county superintendents in the state, and they full the office with credit—some of them with distinction. Be-aides it would seem very appropriate for a lady to fill this office, as the most of the teachers in the county—and in fact throughout the state—are females. Mrs. Carruthers had large experience in teaching before coming to this state and she is one of the most accomplished teachers in the public schools of this city.

The department takes pleasure in the require a number of lady-county superintendents in the state, and they full the office with credit—some of them with distinction. Be-aides it would seem very appropriate for a lady to fill this office, as the most of the teachers in the county—and in fact throughout the state—are females.

It is urged by the Department that cach nearly two hundred companies are now mustered into the office. As a matter of fact, there are quite a number of lady-county superintendents in the state, and they full the office, as the most of the teachers in the county—and in fact throughout the state—are females.

It is urged by the Department that the buggle in the state, and she is one of the most of the teachers in the county—and in fact th

of this city.

We trust that she will be nominated at the coming Republican county convention, and we feel assured that the people will manifest their appropriate that the people will manifest their appropriate that the people will manifest their appropriate that the people will be a people to the people will be the people to the people will be the people to the people will be the people wi

cach company now that the bugies in note has sounded for the conflict, and the lines of battle are formed, will make an earnest and renewed effort to increase their membership, and in every way possible to apread the priporciples and premote the high object of our organization.

For the purpose, that the department may know to a certainty the full strength of the Army of Liberty, it is urged that each company at once transmit to Adja. Gen. Shreve at these member of members in each company, the prospect of increase of Comrades, the focal outlook for the vote on Gliek and Holiiday, etc. Enclosed please find stamped envelope for transmitting reply, which we trust will receive your earliest attention.

Courage, Comrades This fall will witness the supreme conflict for Personal Liberty in Kansas! Thespeople are aroused. Every locality, tew or prairie, is aglow with hope and enthusiasm. The magnificent success of two years ago shows what may be accomplished. Gov. Glick is ten thousand votes attenger to day than be was in 1882. Do not believe the lying reports of the subsidized press, or of the hirelings and Regulation office beiders on the stump. Stand by your principles; have the manhood to vote your honest sentiments, and a magnificent victory will await us on the fourth of November next.

Good for Geo, T. Aathony! He has been nominated for representative in one of the Districts in Leavenworth county, and is instructed for Senator Ingalis. His re-entry into Kanssa politics will be hailed with delight by his many old friends and admirers.

Straight to the school house where the room was jammed full of attentive listness to Congressman J. A. Andersen's speech. Hitherto the meeting had been tame, 'lis true, but large and enthusiastic. On the arrival of the Knighted gentry, J. H. Johnson, of Assaria, moved his way through the

his speech, which was a storng and masterly argument on Financial, Na-tional and State issues. The speech finished, the Assarians at home and abroad went home while the Linda-
